Re: § 63.71 —Application of CTI/StarVox Communications Inc.

Dear FCC Representative:

On March 24, 2008, our office received a letter dated March 17, 2008 from Capital Telecommunications, Inc. which notified us that we would be required to subscribe to a new telephone service provider by April 17, 2008. The purpose of this letter is to raise an objection to this service interruption. There is not enough time for us to find a suitable replacement for these phone services, as at this point there are only 18 business days that remain to survey, investigate and sign with a new provider. We estimate that we would require approximately 60 – 75 business days to ensure a smooth and uninterrupted transition.

Thank you for taking this into advisement.

Sincerely,

Marilyn Greenberg

IMPORTANT NOTIFICATION – UPDATE - *Your action is required! You must subscribe to a telephone service provider other than CTI/Starvox prior to the end of the thirty (30) day period from the date above or you will not have access to the services currently available to you through CTI/Starvox.*

Dear Valued Customer:

Last month, we notified you that CTI and Starvox Communications ("CTI/Starvox") had entered into an agreement to transfer CTI/Starvox customers to bComm, Inc. ("bComm"). We also noted that we would update you with any development or details regarding the discontinuance of your service by CTI/Starvox. The purpose of this letter is to inform you that the agreement with bComm will not be consummated. Instead, if you haven't already, you will need to find a new service provider for your local or long distance, internet or data communications needs.

Effective thirty (30) days after the date of this letter, or as soon thereafter as the necessary regulatory approvals are obtained, CTI/Starvox will be discontinuing your telecommunications services. This discontinuance affects service in all states in which CTI/Starvox provides telecommunications service. This notice clarifies and supersedes any previous communications on this issue.

CTI/Starvox will cooperate with you through the date of discontinuance concerning the transition of your telephone service to an alternative carrier of your choice and will assist you in transitioning your existing local telephone number(s) where permitted. Please consult your local telephone directory or the incumbent local exchange carrier(s) in your area for a list of other possible providers. Should you need our assistance, please contact us at 800-673-2400. We regret to inform you that certain underlying vendors of critical services have threatened to cease providing service to CTI/Starvox. If any such vendor stops providing service, the effect could be to render us unable to provide service to you for reasons beyond our control even before the thirty (30) day period has expired. Thus, it is vital that you obtain service from a substitute provider immediately.

The FCC will normally authorize this proposed discontinuance of service unless it is shown that customers would be unable to receive service or a reasonable substitute from another carrier or that the public convenience and necessity is otherwise adversely affected. If you wish to object, you should file your comments within fifteen (15) days after receipt of this notification. Address them to the Federal Communications Commission, Washington, DC 20554, referencing the §63.71 Application of CTI/StarVox Communications Inc. Comments should include specific information about the impact of this proposed discontinuance upon you or your company, including any inability to acquire reasonable substitute service.

CTI/Starvox appreciates your business, and we regret that we will no longer be providing your telephone services. It has been our pleasure serving you.
